

# 40 Hour HAZWOPER Technician Course

In partnership with HAZ-MATTERS Emergency Management Inc. we are pleased to offer:

**This 4-day HAZWOPER course falls within the recently approved Essential Services mandate across Canada and substantially improves employee hazard understanding at the worksite, while empowering a Technician level of response competency for employees exposed to any form of chemical hazard. This specific course unifies internationally used “Best Practice” techniques employed by Industry, Fire Services, First Responders and CBRN technicians and provides a clear understanding of the entire process.**

**Attendees will receive certification in:**

- 40 hour HAZWOPER Environmental Technician
- Transportation of Dangerous Goods, TDG
- WHMIS 2015
- Incident Command System, ICS 100
- Fire Safety & Extinguishers

Registrants are eligible to claim 3 Professional Development credits towards maintaining their EP designation with ECO Canada.

**This course offering is being supported by MEIA, Manitoba Environmental Industries Canada.**

**Employers can apply for reimbursement up to \$2,500 per employee up to a maximum of \$75,000.  
Visit [www.retrainmanitoba.com](http://www.retrainmanitoba.com)**

**Dates:** March 28 - 31, 2022, Classes run 8:00 a.m. – 4:30 p.m.

**Location:** TBD, Thompson MB

**Tuition:** \$1340 (plus \$67 GST) per seat
