	Replaces: Feb 25, 2014	

POLICY STATEMENT

Students achieving outstanding performance will be recognized by being placed on the President's Achievement List.

PURPOSE OF POLICY

University College of the North provides an environment that encourages and celebrates academic excellence, individual initiative and responsibility as student's progress toward their educational goals. This policy outlines the commitment to academic performance expected of students in order to gain President's Achievement recognition.

DEFINITIONS

Career Grade Point Average (CGPA): Is the overall cumulative grade point average of a student's course work within their program of study.

PROCEDURES

1. Students must be registered full-time in a UCN certificate, diploma, or degree program.
2. Any student who completes a term with a weighted career grade point average (CGPA) of 3.75 or greater with no course failures will be placed on the President's Achievement List. The student will remain on the list through graduation unless the CGPA drops to 3.74 or lower.
