POLICY STATEMENT

Students achieving outstanding performance will be recognized by being placed on the President's Achievement List.

PURPOSE OF POLICY

University College of the North (UCN) provides an environment that encourages and celebrates academic excellence, individual initiative, and responsibility as students progress toward their educational goals. This policy outlines the commitment to academic performance expected of students in order to gain President's Achievement recognition.

DEFINITIONS

Term Grade Point Average (TGPA): Is the overall cumulative grade point average of a student's term coursework.

PROCEDURES

1. Students must have completed a minimum 60% course load within a term in a UCN certificate, diploma, or degree program.
2. Any student who completes a term with a term grade point average (TGPA) of 3.75 or greater without course failures within that term will be placed on the President's Achievement List.
3. Recognition of placement on the President's Achievement List for each applicable term will be noted on the student's transcript.
