**Safety Services Manitoba is proud to partner
with the University College of the North's
Northern Workforce Development Centre
to deliver occupational safety training in the north.**

UCN acknowledges that we are on the traditional territories and homelands of many Indigenous peoples, who have existed here since time immemorial. The First Nations in the area that UCN serves entered into treaty relationships with the Crown and the territory has also become home to other Indigenous peoples. We uphold the treaties and collaborate with all Indigenous peoples to share truth, reconciliation and learning.
