Workplace Safety and Health Policy Statement

All members of the University College of the North, from the highest executive levels to the front-line supervisors, instructors, workers and students are responsible for ensuring a safe work environment for employees, students and visitors.

It is the policy of University College of the North to:

- Protect the safety of all employees, students and visitors;
- Comply with the Manitoba Workplace Safety and Health Act W210;
- Give priority to safe working conditions and job safety practices in planning, directing and implementing University College of the North activities;
- Formulate and carry out continuing effective safety programs and procedures appropriate to University College of the North's operations.

All employees, students and visitors who rent or lease University College of the North's premises, must observe the appropriate safety and health procedures. In addition, the policy applies to any premise rented or leased by University College of the North.

Hello,

Attached is an updated version of our UCN Workplace Safety and Health Policy Statement. It requires the signatures of Doug Lauvstad and Cameron Mateika. I would appreciate if you could send me a copy of the signed document.

Thank you!

Paul
