## Tech Training For Everyone!

This 3 hour course is for beginners with little to no computer experience. Led by a live qualified instructor, you will learn via hands-on practice, discussion and lecture style presentations.

### Participants will learn:

- The different uses for the video conferencing program.
- How to organize a meeting online and invite others to join.
- How to use basic features of the Zoom application.
- Tips on how to make the most out of Zoom to hold effective meetings.

**100% FREE | Limited spots available!**

**REQUIREMENTS** - Participants must have an email address and access to a computer or mobile device to use Zoom.

*If you do not have a Zoom account or if you need assistance, please request help when registering. We will provide support over the phone the day before the class starts.*
