## In Focus

### Current Job:

### Accounts Payable Clerk (Clerk II)

Department of Families,  
Province of Manitoba

### What her job entails:

*I work at Department of Families with Employment and Income Assistance as an Accounts Payable Clerk. I am expected to look after staff and clients travel along with their hotel reservations. I work closely with the vendors and process the E.I.A. bills, and keep the inventory up to date.*

### Future Plans:

*I am currently enrolled in the Bachelor of Business Administration Program here at the UCN. Studying at UCN gives me the opportunity to sit with my professors and clear out my confusions throughout the course. I am able to manage my time between my job and studies. I will be continuing my studies further and after gaining some experience, I am hoping to open up my own business.*

### Business Administration Program, 2019

### How did your UCN Degree Program help launch your career?

*With the help of my professors, I was offered a summer student position at Department of Families. I was later offered a clerical position by the department.*

### How did your UCN Program help you achieve and advance your career goals to-date?

*I gained the skills for Accounts Payables after enrolling in the Business Administration Program. The professors work with students and help them reach their goals. I am sure I will have many opportunities once I graduate with my Bachelors of Business Administration.*

### What key competencies did you acquire?

*I gained confidence to speak in public and openly voice my concerns. The professors' encouragement, along with attending the events put on by UCN, helped me gain my communication skills, which helped me maintain a professional image as a student and now as a clerk.*

### Anything else you would like to share to encourage prospective students?

*I think UCN Business Administration program is worth taking. It opens doors to opportunities.*

*UCN professors support every student and help everyone reach their goals. You might be the lucky one and have a full time job offered before even finishing the program.*
