

University College of the North
Centre for Career & Work-Integrated Learning

June 14, 2022

Dear Sir or Madam:

We are pleased to extend an invitation to your business/organization/industry association to attend and participate in our upcoming **Industry Engagement Night(s)** being held in the Main Foyer at University College of the North on the following dates:

Thompson Campus, Thompson, Manitoba on Tuesday November 1st, 2022 from: 5:00- 7:00pm
The Pas Campus, The Pas, Manitoba on Tuesday November 8th, 2022 from: 5:00-7:00pm

This social networking event, in conjunction with November being *Career and Workforce Development Month*, is an excellent opportunity for students/faculty/staff to connect with employers and industry representatives and learn more about the career opportunities that may be available to them. You will have the opportunity to promote your company and larger industry, and share what potential career/job opportunities may be available as well as personal insights to get students thinking about their career paths. It's a great opportunity for students to meet employers and find out what they are looking for in employees. Registration is FREE for employers!

The purpose of this initiative, with respect to Work-Integrated Learning at University College of the North, will seek to:

- *Support the promotion of Work-Integrated Learning (WIL) & Career Development at UCN;*
- *Engage and connect industry partners to students, faculty and staff and the larger UCN Community;*
- *Establish partnerships with employers, industry associations, business and industry sectors and engage all external stakeholders in a conversation around WIL opportunities for UCN students;*
- *Enhance student engagement in career development through career path exploration and networking opportunities with employers and industry partners to prepare job-ready graduates.*

If you have any questions please feel free to contact me at (204) 627-8557 or kpaskaruk@ucn.ca

Registration is required for this event. Please complete and return the enclosed registration form on or before Friday September 30th, 2022. Registration is required for logistical purposes and so name tags can be prepared for all in attendance. **As this event is meant to be an informal networking opportunity, traditional booths will not be provided to you. A "shared" resource area for promotional/marketing materials may be available- please indicate your need for this on the enclosed registration form.**

In anticipation of your involvement we would like to thank you and look forward to seeing you at this event. For your convenience, please arrive on campus no later than 4:45p.m.

Sincerely,

A handwritten signature in cursive script that reads 'Krystle Paskaruk'.
